AGM voting at MHBS helps support local hospices

This year, for the very first time, Market Harborough Building Society donated 25p for every vote cast at their Annual General Meeting to LOROS & Cransley Hospices. Voting numbers increased significantly with members choosing which Hospice they would like the Society to donate their vote to and a total of £1,500 was raised.

Engaging with and supporting the local community is very important to the Society and we were pleased with the attendance from our members at the AGM, giving us a great opportunity to gain valuable feedback from them.

Many of our members also participated in a prize draw to win Afternoon Tea at The Ritz in London and we're delighted to announce that Mr Kay from Northampton was the lucky winner.

We would like to take this opportunity to thank all of our members for their continued support of the Society and look forward to supporting their needs in the future.
