

## Over £3,000 donated to local hospices by our dormant account holders.

During 2016 over 400 of our customers who hadn't used their account for 3 years and had a small balance, chose to make a donation to Charity.

As a result £3,427.18 was split between LOROS, Rainbows and Cransley hospices.

Thank you to our members for their generosity; the hospices thank you for the continued support.
